art | design | experience

Richard T. Walsh has been creating art, practically since he was created!

He has worked for, with, and along side some of the greatest names in the creative and business world including The Walt Disney Co., Universal Studios, Saul Bass, The Jim Henson Company, The Irvine Co., ABC TV, Nickelodeon, Entertainment Tonight, Cartoon Network, The Edison Company, Sunkist Fruit Growers, BMI, Participant Media, The Patina Group, Wolfgang Puck and many more.

His company, Amalgamated Studios, won many awards including The International Council of Shopping Centers, The Themed Entertainment Association, Urban Land Institute and Signs of the Times. Richard's work has been featured in publications and online by Logo Lounge, House Industries, SEGD and Retail Architecture.

Working as a preferred designer with Caruso Affiliated, Richard participated in the creation of one of the country's premier outdoor shopping destinations, The Grove, along with several other award winning mixed use projects.
